

# Activity day

Twice a year on a Friday afternoon kids and their parents come to school.

They try to make the school more beautiful than before. The teachers help too. They draw games and pictures on the ground and trim the hedges. Besides this the kids plant a lot of flowers and pull out the weeds.

Also everyone who helps gets a sausage and a juice. They have a lot of fun!

# Activity day

The activity day is a day with lots of work at school. We don't have to come to school that afternoon but there are always many people and they have lot of fun. They work on the playground, on the football court and help to make the school look nicer. WE CAN ALSO EAT HOTDOGS!!!!!!! It's very funny.
